REPORT OF THE SALEM PLANNING AND ZONING BOARD

During the year 1958 there were 175 applications received. There were 160 permits granted. Fifteen are now in process.

There were four open hearings held on applications before permits were granted.

For the last few years, the permits have been averaging about 557 for new homes, 157 for trailers, and the balance for miscellaneous construction.

Since its inception, the Board has granted a total of 760 permits.

REPORT OF SALEM FIRE DEPARTMENT

During the year 1958 the Salem Fire Department responded to 180 alarms, a decrease of 71 alarms over 1957. The fire loss during the year 1958 amounted to $56,919.00 compared with a loss of $41,265.00 for the previous year. The fire at Rockingham Race Track on May 16, 1958 accounted for $19,500.00 of the total loss for 1958.

Continued breakdowns in the alarm system during 1958 made it necessary to replace the old mechanism and steam whistle with new air horns.

The men of the North Salem fire company have secured, through their own efforts, a Chevrolet chassis and water tank. During the Fall and Winter months they have been building a water tanker, which, when completed and in service, will prove a valuable addition to their company, especially in an area where town water is not available.

Again during the summer months of the past year the men of the fire department met once a week to drill and acquaint themselves with new fire-fighting techniques.

In reply to a request of the Selectmen and the Directors of the Salem Board of Trade, the fire department submitted a report which contained the needs of the department, the most urgent of which is the need for additional qualified manpower during the daytime. To solve this problem, the fire department will request additional permanent firemen. The fire department hopes that the people of Salem will recognize this need and will vote favorably on this request.

The Fire Department wishes to thank the citizens of Salem for their continued support and cooperation.

Respectfully submitted,

RAOUL LAVOIE, Chief
Salem Fire Department

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

October 28, 1958

Board of Selectmen
Salem, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Town of Salem which was made by this Division in accordance with the vote of the Town. This audit covered the one year period from September 30, 1957, date of the previous audit, to September 30, 1958. Exhibits as hereafter listed are included as part of the report which is made in two sections as follows:

Section I - Fiscal Year Ended December 31, 1957
Section II - Period January 1st to September 30th, 1958

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the following officials and departments:

Board of Selectmen
Town Treasurer
Tax Collector
Town Clerk
Trustees of Trust Funds
Water Department
Municipal Court
Library
Pine Grove Cemetery

FINANCIAL STATEMENTS

Comparative Balance Sheets - December 31, 1956 - December 31, 1957: (Exhibit A-1)

Comparative Balance Sheets as of December 31, 1956 and December 31, 1957 are presented in Exhibit A-1. As indicated therein, the Net Debt decreased by $12,777.51, from $108,239.28 to $95,461.77, in 1957.

Analysis of Change in Financial Condition: (Exhibit A-2)

The factors which caused the change in financial condition were as follows:

Decreases in Net Debt

Bonds Paid by Water Department	$13,000.00	
Net Budget Surplus	1,206.92	
Tax Collector's Excess Credit	11.80	
		$14.218.72

Increase

Tax Liens Transferred to Tax Deeds	1,441.21
Net Decrease	$12,777.51

Comparative Statements of Appropriations and Expenditures

Estimated and Actual Revenues: (Exhibits A-3 & A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1957, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a revenue surplus of $17,164.27, less a net overdraft of appropriations of $15,957.35, resulted in a net budget surplus of $1,206.92.

Statement of Receipts and Expenditures: (Exhibit B)

A statement of receipts and expenditures for the fiscal year ended December 31, 1957, made up in accordance with the uniform classification of accounts, is included in Exhibit B. Proof of the Treasurer's balance as of September 30, 1958, is indicated in Exhibit K.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks.

GENERAL COMMENTS

Current Financial Condition:

It is noted that the current surplus (excess of total assets over current liabilities) decreased by $222.49, from $26,760.72 to $26,538.23, during 1957, as shown by the following statement:

	December 31, 1956	December 31, 1957
Total Assets	$262,345.09	$291,861.82
Current Liabilities	235,584.37	265,323.59
Current Surplus	$ 26,760.72	$ 26,538.23

Uncollected Poll Taxes - Prior Years

The recommendation is again made that uncollected poll taxes on account of the levies of 1951 and prior years amounting to $3,334.00, which still remain on the Collector's warrants for those years, be removed by abatement procedure. It is noted that no activity in any of these accounts has taken place in the past few years and it therefore must be assumed that these poll taxes are uncollectable. Until such time as they are removed from the Collector's warrants by regular abatement procedure, they continue to be included as assets in the Balance Sheet each year. Inasmuch as such accounts are worthless, their inclusion tends to distort the actual financial condition of the Town. This condition should be corrected before the close of the current fiscal year.

Conclusion

The provisions of Chapter 184 of the Laws of 1955, require that the summary of findings and recommendations (letter of transmittal) of this report shall be published in the next annual report of the Town.

We extend our thanks to the officials of the Town of Salem for their assistance during the course of the audit.

Yours very truly,

Harold G. Fowler, Director
Division of Municipal Accounting
State Tax Commission

Norval D. Lessels, Auditor
O. Maurice Oleson, Accountant

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Town of Salem for the fiscal year ended December 31, 1957, and the period from January 1st to September 30th, 1958, and found them to be in good order. In our opinion, the Exhibits included herewith reflect the true financial condition of the Town as of December 31, 1957, and results of operations for the fiscal year ended on that date.

Respectfully submitted,

Harold G. Fowler, Director
Division of Municipal Accounting
State Tax Commission

Norval D. Lessels, Auditor
O. Maurice Oleson, Accountant

LIBRARY TRUSTEES REPORT

FOR THE YEAR 1958

To the Citizens of Salem:

The three library trustees have worked hard this year in the advancement of your Salem Public Library. We have remained within the limitations of our budget and still made progress. The balance shown in the treasurer's report, at this time, is essential as we operate on a July to July financial basis.

Here are a few of our accomplishments for this past year:

(1) Story Hour for young children
(2) Free Book Delivery Service to invalids or shut-ins.
(3) A Library Sub Station at the Depot
(4) Posters have been placed in all schools and stores indicating the Library hours
(5) Increased book volume
(6) Increased circulation

Expressions of thanks and gratefulness are in order to our civic organizations for their cooperation, in particular:

Salem Garden Club members who have given generously of their time, talent and displays to decorate the library throughout the year

Salem Kiwanis Club which makes available the room for the Story Hour and donates gifts to the children on special occasions, also gives attendance awards to help maintain the interest

Leaders and members of the Salem Girl Scouts, Boy Scouts, Brownies, Cubs, and 4-H Clubs for their willingness to provide delivery service to those less fortunate than themselves.

With the continued help and interest of our many friends we are looking forward to an even better new year and have several projects in view.

I would like to urge all parents to make a special effort to acquaint their children (and themselves) with the facilities of our Salem Public Library and its Sub Station and to take advantage of the very interesting Story Hour each Saturday morning. Also - invite you to call the Library if you have any questions or desire information concerning our library program or materials.

Finally, I wish to thank our Salem residents who have helped in any way to make this a successful year. It has been my pleasure working with Mrs. Bessie Morrison and Mrs. Ursula Taylor, Library Trustees and our very capable librarians Miss Alice Hall and Mrs. Mary Forrest.

Respectfully submitted,

ROBERT D. GOUNDRY
Chairman, Library Trustees

LIBRARIAN'S REPORT

For the first time in the history of the library the circulation for 1958 has exceeded the 20,100 mark.

Let's make our goal for 1959 30,000. If by your cooperation, interest, and a liberal appropriation the library can buy books that will serve each and all ages.

In October, a sub station was opened in the town office each Saturday from 11:00 to 12:00 A. M.. Mrs. Mary Forrest, assistant librarian, is in charge. Circulation, 100 books.

Any book borrowed from the Public Library may be returned at the sub station or renewed by telephone at the Public Library.

Library hours: Monday 2:00 - 5:00, 7:00 - 9:00
Wednesday 2:00 - 5:00, 7:00 - 9:00
Friday 2:00 - 5:00, 7:00 - 9:00
Saturday 2:00 - 5:00

The Salem Kiwanis club sponsors the Story Hour at Salem Depot every Saturday morning 10:00 to 10:45.

Fiction and Non-fiction Books

ITEMS OF INTEREST

800 books were borrowed from the State bookmobile.
300 books for individual use from the State Library.

This privilege is open to any citizen of Salem not finding the material or book in the local Library.

One interesting item noticed by your librarian is the number of Salem's summer residents who avail themselves of the use of the Library.

The circulation for July and August was 3,338.
Annual art exhibit with many new artists.

Exhibits of pupils from Haigh, and Fiske Schools depicting books read, also pictures from the Story Hour.

The Librarians and patrons wish to thank the Garden Club members for the flower arrangements which add greatly to the attractiveness of the library.

LEWIS F. SOULE
Selectmen

SALEM TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the town of Salem, in the County of Rockingham in said State, qualified to vote in Town affairs:

You are hereby notified to meet at Ackerman Hall, in said town, on Tuesday, the tenth day of March next, at Twelve (12:00) of the clock noon, to act upon the following subjects:

Article 1. To choose all necessary town officers for the ensuing year.

Article 2. To see if the town will vote to appropriate such sums of money as may be necessary to defray the expenses of the operation of the town: - Town officers salaries and expenses, Expenses of Election and Registration, Municipal court and town buildings, Damage by dogs, Expenses of operation of Police and Fire Departments and Civil Defense, Expenses of the Town Dump and Health Department, Summer and Winter maintenance and General expenses of town Highways, Street lighting, Town poor and O.A.A., Parks and Playgrounds, Damages and Legal expenses, Social Security (town's share) Interest and other necessary charges pertaining to the expenses of operating the Town of Salem including County Tax, such amounts shown in posted Town Budget.

Article 3. To hear the reports of agents, auditors, committees or officers heretofore chosen, and pass on any vote relating thereto.

Article 4. To see if the town will authorize the Selectmen and Town Treasurer to borrow such sums as may be necessary in anticipation of the collection of taxes for the current municipal year, and to issue in the name and on the credit of the town negotiable notes therefore, said notes to be paid in the current municipal year from taxes collected during the current municipal year.

Article 5. To see if the town will vote to appropriate the sum of One thousand sixty eight dollars and twenty three cents ($1,068.23) for aid under apportionment A of Town Road Aid Plan to match a State apportionment amounting to Seven thousand one hundred twenty one dollars and fifty cents ($7,121.50) for construction and reconstruction of Class IV and class V Highways.

Article 6. To see if the town will vote to appropriate the sum of Four thousand five hundred seventy dollars ($4,570.00) for aid under apportionment B of the Town Road Aid Plan to match a State apportionment of Four thousand five hundred seventy dollars ($4,570.00) for the construction or reconstruction of Town Highways as provided in Chapter 241 R.S.A.

Article 7. To see if the town will vote to appropriate an additional sum of One thousand two hundred ninety two dollars ($1,292.00) over the amount of Five thousand three hundred thirty three dollars ($5,333.00) raised under Article 30 of the 1958 Town Warrant to widen and reconstruct the bridge over the Spicket River on Bridge Street, so called, a class 2 Highway, and authorize the Selectmen to negotiate arrangements with the New Hampshire Department of Public Works and Highways, so that the bridge may be reconstructed under 1957 Revised Bridge Laws, whereby

the total cost of Nineteen thousand eight hundred seventy five dollars ($19,875.00) will be shared, one third by the town of Salem and two thirds by the State of New Hampshire.

Article 8. To see if the town will vote to lower the percentage of amount paid to the Tax Collector from the present 1% to 3/4 of 1% of the amount collected.

Article 9. To see if the town will vote to raise the sum of Five thousand ($5,000.00) or any part thereof, to provide a sinking fund for permanent improvements, as provided in Chapter 160 of the Public Laws of 1943 Legislation. Said fund shall be invested by the Trustees of the Trust Funds until expended by the Selectmen for any or all purposes named in the 1944 warrant.

Article 10. By request of the Library Trustees. To see if the town will vote to appropriate the sum of Five thousand ($5,000.00) dollars or any part thereof, above the amount required by law, for the support of the Salem Free Public Library for the year 1959.

Article 11. By request of the Cemetery Trustees. To see if the town will vote to raise the sum of Thirty five hundred dollars ($3,500.00) or any part thereof to be expended in the care of the town cemeteries.

Article 12. By request of the Cemetery Trustees. To see if the town will vote to authorize the Cemetery Trustees to increase the cost of perpetual care of lots from $100.00 to $200.00 each and to make compulsory as far as possible that each purchaser of a cemetery lot shall pay for perpetual care at time of such purchase.

Article 13. By request of the Salem Planning Board. To see if the town will vote to raise the sum of Two thousand dollars ($2,000.00) to be used by the Salem Planning Board in defraying expenses of the Planning Board operation.

Article 14. By request of the Highway Agent, William Kinzler and others. To see if the town will vote to raise the sum of Sixteen thousand dollars ($16,000.00) or any part thereof for the purchase of a Four Wheel Drive type truck with plows.

Article 15. By request of the Salem, New Hampshire Veterans Association, comprised of the following veterans organizations: Salem Memorial Post Veterans of Foreign Wars, Ernest W. Young Post American Legion and Salem Barracks World War 1. To see if the town will vote to raise the sum of six hundred dollars ($600.00) or any part thereof for the use of the above named veterans association to be expended for the decoration of graves of soldiers and sailors who have served in time of war on Memorial Day and the Patriotic Observance of Memorial Day and Veterans Day in the year 1959.

Article 16. To see if the town will vote to authorize the holding of boxing and wrestling bouts, fairs, carnivals and parades within the Town of Salem, subject to granting of permit by the Board of Selectmen.

Article 17. To see if the town will authorize The Board of Selectmen to have tax maps prepared for the town: authorize the Selectmen to enter into an agreement with an engineering firm to prepare such maps; raise and appropriate the sum of Twenty-five thousand dollars ($25,000.00) for this purpose.

Article 18. By request of the Salem Fire Department. To see if the town will vote to raise the sum of Twelve thousand five hundred dollars ($12,500.00) for the purpose of increasing the permanent force of the Fire Department.

Article 19. To see if the town will vote to have the Selectmen appoint a committee of five to investigate the adequacy of existing town buildings and office facilities, the committee to report to the Selectmen not less than two months before the next annual town meeting, the committee's report to include recommendations as to what changes or additions, if any, should be made and an estimate of the cost of all recommended changes or additions. To raise the sum of Two hundred dollars ($200.00) to cover committee expenses.

Article 20. By request of the members of the Salem Fire Department. To see if the town will vote to appoint a committee of five, consisting of two firemen and three citizens chosen by the Selectmen, to study the needs and requirements of a new central fire station. This committee to report its findings at the 1960 town meeting. It is requested that the sum of two hundred dollars ($200.00) or any part thereof be raised to cover any expenses incurred during this study.

Article 21. By request of the Salem Board of Trade. To see if the town will vote to raise the sum of Two hundred dollars ($200.00) for the purchase and erection of additional street signs.

Article 22. By request of the Salem Board of Trade. To see if the town will vote to raise the sum of Five hundred ($500.00) dollars or any part thereof, to be used toward the defrayal of the 1959 Christmas Lighting Program.

Article 23. By request of the Salem Board of Trade. To see if the town will vote to raise the sum of Seven thousand dollars ($7,000.00), or any part thereof, to continue the construction of sidewalks.

Article 24. By request of Melvin F. Marsh, Civil Defense Director, and others. To see if the town will vote to raise the sum of One thousand dollars ($1,000.00) for the purpose of an auxiliary emergency plant for the fire department.

Article 25. By request of Melvin F. Marsh, Civil Defense Director, and others. To see if the town will vote to raise the sum of Six hundred dollars ($600.00) for the purpose of two-way radios for the fire department.

Article 26. By request of Melvin F. Marsh, Civil Defense Director, and others. To see if the town will vote to raise the sum of Three hundred dollars ($300.00) for the purpose of interstate communications for Civil Defense.

Article 27. By request of the Salem School Committee and others. To see if the town will vote to deed to the Salem School District land now owned by the Town which lies to the rear of Woodbury High School and the Central School, including the entire area which comprises the athletic fields, both old and new.

Article 28. By request of Officials of Salem Little League and others. To see if the town will vote to raise the sum of Four thousand

eight hundred dollars ($4,800.00) or any part thereof, to finish the Little League Field in the rear of Woodbury High School.

Article 29. By request of the Salem Planning Board and others. To see if the town will vote to amend the Salem Zoning Ordinance in the following respects:

(1) By striking out Section 1 of Article 1, and insert in place thereof the following:

Section 1. Town Building Inspector

The Board of Selectmen shall appoint for a term of one year, a Building Inspector who shall administer this ordinance.

(2) By striking out Section 3 of Article 1, and insert in place thereof the following:

Section 3. Permits

A permit in writing from the Town Building Inspector must be obtained for the erection, alteration or moving of any building or structure, or for the erection of any sign, or for the use of land for the storage of industrial, construction or similar equipment, or storage of combustible matter or materials, explosives or other fire menace, within the zones hereinafter set forth. Plans and specifications shall be submitted to the Building Inspector before a permit shall be issued.

An application fee of Five Dollars ($5.00) shall be paid by the applicant at the time of application for a permit.

Before the Town Building Inspector issues a permit, he shall determine whether the proposed construction or alteration conforms to all the provisions of this ordinance.

The Town Building Inspector shall make known his decision concerning the application for a permit within ten (10) days from the date of application.

(3) By striking out Section 5 of Article 1, and insert in place thereof the following:

Section 5. Appeals

Appeals to the Board of Adjustment may be taken by any person aggrieved or by an officer, department, board or bureau of the Town affected by any decision of the Building Inspector. Such appeal to the Board of Adjustment shall be taken within ten (10) days of the mailing date of the Building Inspector's decision. Applications for a rehearing before the Board of Adjustment, or appeals to The New Hampshire Superior Court shall be governed by Chapter 278 of the Laws of New Hampshire, 1949.

(4) By striking out Section 6 of Article 1.

(5) By striking out Section 7 of Article 1, and insert in place thereof the following:

Section 6. Remedies for Violations

In case any building or structure is erected, constructed, reconstructed, altered, repaired, converted, or maintained, or any building structure, or land is used in violation hereof or of any ordinance or other regulations made under authority conferred hereby, the Selectmen may institute any appropriate actions or proceedings to prevent such unlawful action, all as provided in Section 88 Chapter 31 of the New Hampshire Revised Statutes Annotated, 1955.

(6) By changing the heading of Section 8 of Article 1 so that it will read as follows:

Section 7. Penalties

(7) By striking out Section 2 of Article II, and insert in place thereof the following:

Section 2. Residential District Zone 2

Residential District Zone 2 shall consist of all that land contained within the Salem limits not included in Zone 1.

No house trailer or trailer camp mobilehome or mobilehome park shall be permitted in Residential District Zone 2, unless authorized as a special exception by the Board of Adjustment. Any applicant for a special exception shall have the burden of showing to the satisfaction of the Board of Adjustment that provision is made to make the house trailer, trailer camp mobilehome or mobilehome park safe, sanitary and fit for human habitation.

(8) By striking out Section 1 of Article III, and insert in place thereof the following:

No portion of any tract of land in said Zones which shall front upon any street or be bounded by any river, brook, or other body of water shall be used for a dump or place for refuse, waste or junk of any kind: nor for the storage of abandoned vehicles, machinery, tools or equipment of any kind: nor used in a manner that is disorderly, unsightly, noxious, offensive, or prejudicial to the general welfare of the community.

No owner or occupant of land fronting on any of the streets in said Zones shall permit the exterior of any building, or other structures or fire ruins to be left unfinished or incomplete thereon, but shall finish or complete, or remove the same within a reasonable time as determined by the Town Building Inspector.

All buildings and other structures within the Zones herein set forth shall comply in all respects with the State Law and with the regulations of the New Hampshire Board of Fire Underwriters and with the sanitary rules set forth by the Board of Health.

All buildings hereinafter erected, constructed, shall be set back from the street line at least twenty (20) feet and no building shall be erected or constructed within five (5) feet of the lot line except by special permit from the Board of Adjustment.

The erection of signs in said Zone shall be subject to such conditions as to size, design, and number in any one location as shall be determined by the Building Inspector. Plans and drawings of such signs shall be submitted prior to the granting of a permit. No sign shall be erected or maintained in violation of these provisions.

Article 30. By request of Elmer Bussey and others. To see if the town will vote to authorize the Selectmen to file in behalf of the Town, an application (in form and manner required by the United States, and in conformity with P.L. 560, 83rd Congress) and do whatever else may be required for an advance, in the amount of Fifteen Thousand dollars ($15,000.00) to be made by the United States to the Town of Salem to aid in defraying the cost of preliminary reports and plan preparation for sewerage and sewerage treatment facilities for the Town of Salem: and, further, to see if the Town will make the necessary arrangements to provide such additional funds as may be required to defray the cost of preparation of the report and plans. Said above article approved by the U.S. Housing and Home Finance Agency, Ralph B. Cornell, Regional Director, New York, N.Y., N.H. Water Pollution Commission and New England Interstate Water Pollution Commission.

Article 31. By request of Dean G. Ellis and others. To see if the town will vote to defray the cost of the Constable's Bond as they do all elected officers.

Article 32. By request of Dean G. Ellis and others. To see if the town will vote to reimburse the elected Constable for the bonding fee.

Article 33. By request of the Water Commissioners, and others. To see if the town will vote to authorize the Water Board to install 6" mains to make connections on dead end lines such as Lawrence Road, School Street, Pleasant Street, Bluff Street, Merrill Avenue and Ann Avenue. Also to repair and paint water tower, install an automatic system at pumping station, fence around the grounds at station and build a building at station to house and store equipment and material and raise the amount of One Hundred thousand dollars ($100,000.00) for the same. This amount to be raised by issuance of Bonds or Serial notes. Such bonds or serial notes to be made payable over a period of time not to exceed thirty (30) years.

Article 34. By request of Stillman Kealey and others. To see if the town will vote to amend such existing bylaws and ordinances now in effect and to instruct the Board of Selectmen to adopt such amendments (As provided by Chapter 578, Section 5, of the New Hampshire Revised Statutes) permitting the operation of all retail businesses on Sundays during the summer tourist season from the first day of June each year until Labor Day of the same year and permitting the operation of all retail businesses on Sundays during the Christmas shopping season from the Sunday next following Thanksgiving Day until the Sunday next preceding Christmas.

Article 35. By request of Wilbur Pember and others. To see if the town will vote to change our present type of Town Government to the Town Meeting member plan, or some other more representative type of government and to empower the Board of Selectmen to appoint a committee of three (3) to study this article and to present a final article to be voted upon by ballot at the next regular election of Town Officers.

Article 36. By request of Lloyd Miller and others. To see if the town will vote to instruct the Board of Selectmen to use the Apportionment B Program Fund to widen North Broadway and install a sidewalk from intersection of Main Street and North Broadway to Taylor Street.

Article 37. By request of Lloyd Miller and others. To see if the town will vote to instruct the Board of Selectmen to use the money appropriated at this town meeting for sidewalks, if any, for the construction of a sidewalk on North Broadway. Said sidewalk to extend from Schofield's store or vicinity to whatever point can be reached with funds appropriated.

Article 38. By request of Sarah J. Pease and others. To see if the town will vote to accept Grove Avenue for a distance of one thousand (1000) feet, starting from Millville Street and raise money to gravel and tar same.

Article 39. By request of William Bradford and others. To see if the town will vote to rebuild that part of Policy Street between Clinton Street and Brookdale Road and raise money for same.

Article 40. By request of Lawrence J. Henderson and others. To see if the town will vote to accept Orchard Street from Main Street, a distance of four hundred (400) feet and to tar and gravel said Orchard Street.

Article 41. By request of Michael Connolly and others. To see if the town will vote to accept Jill Road, a distance of five hundred (500) feet from Pumping Station Road and raise money to gravel and tar same.

Article 42. By request of Bessie Morrison and others. To see if the town will vote to accept Morrison Avenue and raise money to gravel and tar same.

Article 43. By request of Frank Bemis and others. To see if the town will vote to gravel and tar Maple Place for a distance of three hundred six (306) feet.

Article 44. By request of Emma Loeschner and others. To see if the town will vote to accept the extension of Hillcrest Road, a distance of one hundred fifty (150) feet and raise money to gravel and tar the same.

Article 45. By request of Aime Proulx and others. To see if the town will vote to accept Charles Avenue and raise money to gravel and tar same.

Article 46. By request of Clayton Gillis and others. To see if the town will vote to accept Gillis Terrace running southwest from North Main Street, a distance of approximately eight hundred fifty (850) feet and raise money to gravel and tar the same.

Article 47. By request of George Merrill and others. To see if the town will vote to accept Robert Avenue for a distance of four hundred seventy-five (475) feet: Bannister Avenue for two hundred sixty (260) feet, Ellsmere Avenue for four hundred forty (440) feet and Highland Avenue for three hundred thirty-eight (338) feet and raise money to gravel and tar same.

Article 48. By request of Russell F. Rose and others. To see if the town will vote to accept Birch Road from Old Rockingham Road to Jill Road, a distance of approximately four hundred (400) feet.

Article 49. By request of Arthur B. Marden and others. To see if the town will vote to accept Millville Terrace and raise money to gravel and tar the same.

Article 50. By request of Arthur B. Marden and others. To see if the town will vote to accept Millville Circle.

Article 51. By request of Edmund Marble and others. To see if the town will vote to accept Winter Street for a distance of eight hundred fifty (850) feet and raise money to gravel and tar same.

Article 52. By request of Charles J. Norton and others. To see if the town will vote to accept Ackerman Avenue (off Williams) for a distance of five hundred (500) feet and raise money to tar same.

Article 53. By request of Philip Kubara and others. To see if the town will vote to accept Carol Avenue running East of Sandhill Road a distance of Five hundred sixty-three (563) feet and raise money to gravel and tar same.

Article 54. By request of Gerard Bauters and others. To see if the town will vote to accept Green Acre Drive, a distance of nine hundred (900) feet and Marie Avenue a distance of six hundred fifty (650) feet both on Westerly side of Cross Street, and raise money to gravel and tar same.

Article 55. By request of Guy Ackerman and others. To see if the

town will vote to accept Royal Avenue for a distance of eight hundred fifty (850) feet.

Article 56. By request of Miles N. Libby and others. To see if the town will vote to install two street lights on Lake Street one at 11 Lake Street and one at 15 Lake Street.

Article 57. By request of Patrick J. Coyne and others. To see if the town will vote to install one light at the corner of Littlefield and Lakeview Street, one light at the corner of Lakeview and Lakeside Streets, one light at the corner of Littlefield Avenue and Community Street and one light at the corner of Community Street and Lakeside Street and raise money for same.

Article 58. By request of Mr. and Mrs. Irving H. Kellman and others. To see if the town will vote to install two lights at the corner of Pattee Road and Route 28 and Seed Street and Route 28 and raise money for same.

Article 59. By request of Angelo Olmi and others. To see if the town will vote to install two lights on Fiedler Avenue and raise money for same.

Article 60. By request of Aime Proulx and others. To see if the town will vote to install one street light on Charles Avenue and raise money for same.

Article 61. By request of Lawrence Blouin and others. To see if the town will vote to install two street lights at the corner of Pattee Road and Seed Street and Benning Avenue and Seed Street and raise money for same.

Article 62. By request of Samuel Vartanian and others. To see if the town will vote to install one street light on Lawrence Road starting at No. 9 School and going North in front of the residence of Thomas Voskerjian, and raise money for same.

Article 63. By request of Carl Manor and others. To see if the town will vote to install one street light on Pelham Road near Stiles Lane and raise money for same.

Article 64. By request of Arthur B. Marden and others. To see if the town will vote to install one street light at the North end of Millville Terrace and raise money for same.

Article 65. By request of Mitry Saba and others. To see if the Town will vote to install one street light on Windward Terrace near the residence of Mitry Saba and raise money for same.

Article 66. By request of Edmund Marble and others. To see if the Town will vote to install one street light on Winter Street and raise money for the same.

Article 67. By request of Charles Lacroix and others. To see if the Town will vote to install five street lights on Cross Street from Policy Road to the New Hampshire, Mass. line and raise money for the same.

Article 68. By request of Dorothy Frederick and others. To see if the Town will vote to install 3 street lights on Summer Street and raise money for the same.

Article 69. By request of Kenneth Lundberg and others. To see if the Town will vote to install one street light on the corner of Charles Ave. and Millville Street and raise money for the same.

Article 70. By request of William E. Kingdon and others. To see if the Town will vote to instruct the Police Department to distribute equally among all interested garages in Salem any towing or storage business under the control of the Police Department.

SCHOOL WARRANT

STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Salem qualified to vote in district affairs:

You are hereby notified to meet at the Veterans Memorial Auditorium in said district on the tenth day of March, 1959 at 12:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen and pass any vote relating thereto.

7. To choose Agents, Auditors, and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income, the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will authorize the school board to make applications for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educational purposes, as may now or hereafter be forthcoming from Federal, State, local or private agencies.

10. To see if the district will vote to construct and equip an addition to the Woodbury High School, to authorize the school board to execute any and all contracts or agreements necessary and proper or advisable, in connection with the construction and equipping of such an addition, and authorize the school board to issue bonds or notes in an amount not to exceed four hundred thirty-five thousand dollars ($435,000.00) payable from funds to be raised by taxation, for the purpose of financing such construction.

11. To see if the district will vote to raise and appropriate eleven thousand dollars ($11,000.00) to pay the first interest payment on the bond issue for the addition to the Woodbury High School.

12. To see if the district will vote to raise and appropriate six thousand five hundred dollars ($6,500.00) to operate the addition to the Woodbury High School.

13. To see what sum the district will vote to raise and appropriate to operate additional classrooms during the 1959-1960 school year.

14. To transact any further business that may legally come before the meeting.

Given under our hands at said Salem this sixteenth day of February, 1959.

RICHARD P. SMITH
WILLIAM CROFT
L. EDWARD ROSS
School Board

BUDGET WORK SHEET

This is a presentation of the budget work sheet upon which your School Board has been operating during 1958-1959, and their estimated expenses for the 1959-1960 school year. It must be taken into consideration that monies appropriated in the month of March, to be used in the following year do not necessarily correspond in individual items, because of the impossibility of projecting the rising price indexes twelve months hence.

SALEM SCHOOL BOARD

	Expended 1957-1958	Appropriated 1958-1959	Proposed 1959-1960

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

October 22, 1958

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Salem School District for the fiscal year ended June 30, 1958. In our opinion, the Exhibits included herewith reflect the true financial condition of the School District on June 30, 1958, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER
Director

Division of Municipal Accounting
State Tax Commission

Norval D. Lessels, Auditor

O. Maurice Oleson, Accountant

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

October 22, 1958

The School Board
Salem School District
Salem, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Salem School District for the fiscal year ended June 30, 1958, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1957 and June 30, 1958, are presented in Exhibit A. As indicated therein, the Net Debt increased by $175,098.04 during the fiscal year ended June 30, 1958.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein. These were as follows:

Increases in Net Debt

Bonds Issued	$225,000.00	
Decrease in Accounts Receivable	282.50	
		$225,282.50

Decreases in Net Debt

Bonds Paid	$49,000.00	
Net Budget Surplus	1,184.46	
		50,184.46
Net Increase		$175,098.04

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1958, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D,) a revenue surplus of $4,184.69, less a net overdraft of appropriations of $3,000.23, resulted in a net budget surplus of $1,184.46.

Summary of Receipts and Expenditures: (Exhibit E-1)

A Summary Statement of receipts and expenditures for the fiscal year ended June 30, 1958, made up in accordance with the uniform classification of accounts, is included in Exhibit E-1. Proof of the Treasurer's balance as of June 30, 1958, is included in Exhibit E-2.

Statement of Bonded Indebtedness: (Exhibit H)

A statement of the bonded indebtedness of the School District as of June 30, 1958, showing annual debt service requirements, is contained in Exhibit H.

GENERAL COMMENTS

Current Surplus:

It is noted that the current surplus (excess of total assets over current liabilities) increased from $492.58 to $1,394.54, during the fiscal year ended June 30, 1958, as shown herewith:

	June 30, 1957	June 30, 1958
Total Assets	$6,159.81	$8,194.54
Current Liabilities	5,667.23	6,800.00
Current Surplus	$ 492.58	$1,394.54

Conclusion:

The provisions of Chapter of Chapter 184 of the laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Salem School District for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER
Director

Division of Municipal Accounting

REPORT OF THE SCHOOL BOARD

February 2, 1959

To the Citizens of Salem:

The past year was a comparatively "light one" as regards the physical plant. The No. 8 School was painted inside, as were the old rooms at the No. 9 School. New shower heads were installed in the High School shower rooms, which makes for safer use of the facilities. Heating pipes were extended down the corridor of the Central School addition and a unit heater installed to relieve a cold spot in the area.

Drives and walks at the new Fisk School were constructed and the front area graded and seeded.

Two major projects were equipping and opening the Fisk School kitchen and cafeteria and the initiation of a Physical Education program for Grades 7 to 12. The first of these was completed in time to start the lunch program around October 1. Kitchen facilities are modern and quite adequate. The Physical Education program has been, of necessity, somewhat limited and not completely free of problems. This was due to inadequate facilities, scheduling difficulties and other first-year snags which must be expected in starting a program of this sort.

There has been some criticism of the Physical Education program in that it did not include the lower grades. First, it must be remembered that we have only two instructors and that each has a full schedule with grades 7-12. Secondly, the lower grades are attending school only slightly longer than the State requires, so any physical education in this area would have to take place during recess time. The school board is of the opinion that Grades 1-3 definitely do not need Physical Education and probably could not absorb it anyway. As for grades 4-6, the need there is questionable and certainly would require an additional instructor, which we recommend be postponed for a year or two.

This year the School Board is requesting money to construct the addition to Woodbury High School, plans for which will be completed by District meeting time with money appropriated last year. This addition is vitally needed to accommodate the ever-increasing enrollment and to meet the new minimum requirements of the State in order that Woodbury High will continue to be an accredited school. As previously stated many times, the School Board is still in favor of the policy of "asmuch space as possible, for as little money as possible, consistent with good quality". We urge the voters of Salem to pass the bond issue for construction of the High School addition. The necessity of building as cheaply as possible is emphasized by the fact that additional classroom space for elementary grades, probably an addition to Haigh School and/or a new unit at North Salem, will be required by the fall of 1961, and possibly a new Junior High School within the next ten years.

We wish to express our sincere thanks to the staff and to you citizens for your cooperation and interest.

RICHARD P. SMITH, Chairman
L. EDWARD ROSS
WILLIAM CROFT
The Salem School Board

REPORT OF THE SUPERINTENDENT OF SCHOOLS

February 2, 1959

To the School Board and Citizens of Salem:

I am presenting herewith my third Annual Report as Superintendent of Schools in Salem. This report deals briefly with the following subjects: Personnel, School Construction, Bonded Indebtedness and Borrowing Capacity, Curriculum and Community Organizations.

PERSONNEL

Last September 20 new teachers were added to the Salem School System. A chart listing information about them is included among the statistics following this report. Mrs. Helen Higgins, grade 2 teacher at the Fisk School, became our first Remedial Reading teacher and William Gosselin, Social Studies teacher in the Woodburv High School became the new director of Physical Education.

David Greenlaw, formerly a principal of the Hampstead High School and Hampstead Central School, with 19 years experience, became the first principal of the Fisk School - as well as principal of the Salem Central School.

The need for more teachers still continued to be a problem, but as our salary schedule become more realistic we are able to hold the better teachers and hire more qualified beginners. Unfortunately the differential we had with some of our neighboring Massachusetts communities for beginners has evaporated, due to the Massachusetts State Legislature passing as of November 1, 1958, a minimum salary law of $3,600 for beginning teachers. In addition, the prevailing wage for Teacher College graduates this coming June will be about $3,800, according to word from the colleges. Because of the need of adding several teachers to the system each year, we must be able to meet the competition. The more we can pay for beginners, the better teachers we will hire and the better education our children will receive. It is a matter of simple arithmetic. Until we can build fast e-

nough to provide more classrooms and smaller class sizes, we need the best teachers available.

SCHOOL CONSTRUCTION

Before discussing school construction, I would like to bring to the attention of the citizens of Salem facts about our enrollment increases. Last year we added six new teachers to take care of increased enrollments and reduce class size. You may wonder why I seem to emphasize the need for reduced class size. Unfortunately we have a majority of classes with 35-40 pupils. Under these conditions, the teachers cannot give proper individual attention to your children and our achievement results are affected by it. The recommended class size is 25-30 pupils.

Adding six teachers did not reduce class size for the simple reason that our enrollment increased 215 pupils from September 1957 to November 1958. We now have an average of 183 pupils per grade in grades 1-6. Last year in the same area we had an average of 165 pupils in each grade. Looking back to the 1953 Survey, it was predicted that we would have 1,526 pupils for 1958-59. We have 191 more than that. You may be interested to know that grade 1 was predicted to be 146 - we have 191. Grades 1-3 were predicted to be 420 - we actually have 557.

These large classes are moving into the grade 7-12 area and we must add to the Woodbury High School and Central units an addition to handle 1,000-1,200 pupils. To make our problem still more urgent is the need to meet the minimum standards set up by the State Department of Education. As most of us know, we have not had adequate home economics and business education quarters, music rooms, a decent library and an art room to meet the old standards. The addition will take care of these rooms plus sufficient academic rooms, an enlarged cafeteria, physical education and shop quarters to handle the increased enrollments that are now with us.

Some people may ask why we do not build a new High School. We can not. Our borrowing capacity limits us to a fraction of the cost of a new

high school. If our enrollment incomes in future years so that the high school needs to take over the Central Unit then the town may need and be able to build a new Junior High building. But at the moment, you would need a double expenditure if you wanted to build a new junior high building now because the high school would still need major overhauling to meet state standards. Again, it is very unlikely that our borrowing capacity would permit it.

We must have at least six new rooms for September, and should have eight. We will re-open the No. 6 school and at the present time - if the addition is voted favorably - the School Board plans to partition the Central Cafeteria and kitchen before September to have two rooms available. This will prevent the use of the Town Hall, which has been acceptable in the past, but not popular. This means the cafeteria will not be open until the addition is built, but it would need to be closed anyway when construction is in full swing.

The addition will open more rooms, temporarily, in Central for the elementary grades, to relieve us in this area. When grades 7-12 take over these two units entirely, the town will need to think of further construction for the elementary grades - perhaps an addition to the Haigh school or a new school in some other area of the town, dependent upon need.

I strongly urge the addition to the High School because there is no reasonable alternative and we must provide classroom space to meet the phenomenal growth that Salem is experiencing. We can do nothing else but accept the inevitable and at the same time, we are providing a better education for our children.

BONDED INDEBTEDNESS AND BORROWING CAPACITY

According to New Hampshire State Law, a school district may borrow up to 4% of the assessed valuation as equalized, by special permission, the district may borrow up to 6%. The Salem School District has an assessed valuation as equalized of $17,997,693 for 1956. The present indebtedness is $420,000. which means that the present net borrowing capacity

of the district as of March 1959, is $299,908 at the 4% rate and $659,862 at the 6% rate. When the 1958 valuation figure is released, it undoubtedly will be much larger.

The 1957 State Legislature increased state contributions toward costs of construction from 20% to 30% of the district's annual payment toward capital expenditures.

CURRICULUM

The courses of study and textbooks used in our schools meet the highest standards. Emphasis has been placed on reading and a complete testing program is in operation. Reading, which is the basis for all subjects, can be materially improved if adequate class size can be maintained.

This year several important additions have been made to the curriculum. A remedial reading teacher works full-time with small groups of pupils supplementing the reading program for those pupils who need help. A class for Special Education has been held each day with Mrs. Nita Chute as teacher, to help those children who are in need of special attention beyond that which can be offered in the regular classroom. Physical Education has been added to the curriculum for grades 7-12. This is the area where physical education will do the greatest good.

A summer school program was carried out under the guidance of Mr. Robert Dolph, Helping Teacher. This program was successful and may be continued this coming summer if parents are interested.

Educational television is becoming more popular. In addition to Channel 2 in Boston, Channel 11 in Durham will begin operation during the year 1959. This past year Channel 2 broadcast an educational series at 9:30 which was repeated at 11:00 each morning. The programs included were music for Grade 2, literature for Grade 3, Social Studies for Grade 4, Science for Grade 5 and 6. These programs supplement the regular classroom work and proved very worthwhile. This past year two of the districts in Union #55 subscribed to the service. One other district will join in the

next year. In one of the districts the Parent Teacher Association furnished a television set and in another district the local Womens' Club did it. The district pays 50¢ per student which covers the cost of study guides. This is a program that Salem should consider in the not-too-distant future.

Another program which I hope we may consider when resources permit is an adult education program, for those who have left school, for those who need refresher courses and for those who wish to make wiser use of their leisure time. We will have the plant and the teachers could be hired for evening work.

When the addition is completed, we plan to hire the following year a Guidance Director and an Art Supervisor The high and junior high schools are now large enough to warrant a full-time guidance director, whose responsibility it will be to supervise the testing program, help all students in choosing proper courses, help students in gaining admittance to college and to familiarize the students with all types of scholarship assistance. Furthermore, the guidance director will help the students to adjust to their present school life and also help in job placement.

Art has been recommended as part of the minimum standards for high schools by the State Department of Education. It is an enrichment subject that should be given along with music. The supervisor will cover both elementary and secondary grades.

Mr. Dolph and your superintendent have met each month with the principals and head-teachers in the Union to discuss important trends in education and to give all an opportunity to exchange valuable ideas and techniques.

People generally in the United States are becoming concerned about education. It is a healthy situation. I believe the United States has the best educational system in the world and I hope that we in Salem may strive for an improved system that will produce intelligent and understanding leadership.

WOODBURY HIGH SCHOOL - Francis H. Geremonty, Principal

We are now using five rooms in the Central School, plus the Gymnasium, to meet the expanding enrollment and the courses in the curriculum.

As of October 1, 1958 we had a total enrollment of 385. This figure had increased from 376 on September 4, 1958, opening day of school. Not included in these figures are pupils that have left school since the opening day. That number would run the total enrollment to about 400 for this year.

The curriculum has been enriched by the addition of courses in Music Appreciation and Speech for grades 11 and 12, and Physical Education for grades 7 through 12. While it was possible to schedule all boys and girls for gym classes twice per week by dividing the gym floor, it has caused an almost impossible situation in the exceptionally small locker rooms. It is amazing to me that the Physical Education instructors have done such a remarkable job, keeping injuries, loss of clothing and complaints to a minimum. We must recognize that a small room with six shower heads is not adequate to accommodate 350 boys and the over-crowding is dangerous, not only because of accidents, but, also because it could become a health menace. The locker room has required constant between-period cleaning as a preventive health measure. If we are to continue this program on the present scale we must think of adding additional teacher stations and facilities.

The addition of compulsory Physical Education has caused some dropping of academic courses due to loss of study periods. Pupils who would normally carry a fifth subject are not doing so, or have dropped it because their school day is full.

The physical plant received some repairs during the summer and the girls cloak room received a badly needed coat of paint.

Baskets for gym suits have been purchased, and a dividing curtain now divides the gym so that both boys' and girls' classes can be held at the same time. This is not an ideal situation as it eliminates the use of the gym

for anything else during the whole school day. Some periods have as many as 60 boys and girls working out at the same time. Normally the Band, Music Appreciation, Chorus and Dramatics would have some use of the Auditorium.

The band received a number of new instruments and uniforms from the combined efforts of the Board of Trade, Kiwanis Club and Band Parents.

The Band and Chorus are regularly scheduled classes offering 1/4 credit toward graduation. The Band has increased in size to about 50 pieces, plus about a dozen Majorettes. They have been well received in Memorial parades and at concerts.

We still need additional books for the Library and the replacement of many of our textbooks.

For the second successive year about 50 students have been disappointed because Art was not offered in the curriculum. Besides additional class room, Guidance and a course in Art are our most pressing needs.

Our Commercial department has been enriched by the addition of four new typewriters, an electric typewriter and an electric mimeograph machine.

I feel it my duty to report that the antiquated, immovable stationary desks and chairs in rooms 2, 3, and 4 in the Woodbury building have long since outlived their usefulness and should be replaced by modern movable desks and chairs. These desks and chairs were meant to be adjusted to the individual child who remained there all day. Today the boys and girls move from room to room every period so that they cannot be adjusted each period to meet the needs of the individual child. Therefore, there is constant discomfort and breakage.

We were very happy to accept a new auditorium stage curtain as a class gift from the Class of 1957.

Of the 59 graduates of the class of 1958, 45.8% are furthering their education. 19 have been accepted at post-secondary schools and colleges,

5 at secretarial school, 3 at junior colleges, 3 in nursing schools, 2 in technical schools, 3 in the service, 1 in hairdressing school, 1 at cooking school, and 16 have entered the field of business.

A well rounded guidance program is offered through the use of intelligence, achievement and aptitude tests. The University of New Hampshire annually tests the sophomore classes. The juniors get the California Mental Maturity tests and the seniors are urged to take the new Scholarship Qualifying tests. There are about 1,100 scholarships that are given yearly in the United States on a competitive basis. We are proud that thirteen members of the Class of 1959 took the National Merit Scholarship Qualifying tests, and, as a group, scored well above the national average.

Nine juniors were urged to take the College Entrance Board Aptitude test in their junior year. This is an advantage because they may apply for admission to the college of their choice at the end of the junior year and if admitted, they may concentrate on their studies as recommended by that particular college. Students are encouraged to visit schools of higher learning, i.e. the University of New Hampshire Hi-U Day, Teachers' Colleges, etc. An additional service provided all non-college seniors this year was the administering of a battery of tests by the State of N. H. Department of Employment Security, the purpose being to find out what vocations boys and girls are best fitted for and to aid them in making a vocational choice.

A good source of scholarship information is brought to the attention of the students by the administration. We are deeply grateful to all local organizations who have offered scholarships to our graduates. However, we always seem to have more worthy students than there are scholarships available.

The high school has continued to subscribe to the School Assembly Service. This organization provides instructional, entertaining and educational programs. This service is also augmented by other programs, i. e.

Pease Air Force Jiu Jitsu team, Sun Oil Co. Science program and many student participating activities.

Woodbury High School is a member of the National Honor Society, approved by the State Board of Education and is accredited by the American Association of Colleges and Secondary Schools.

CENTRAL SCHOOL - David Greenlaw, Principal

The enrollment in the Central School is approximately 365 pupils in ten rooms for grades 5 through 8. These are seven rooms containing pupils in grades 7 and 8. Next year we will need two rooms for grades 7 and 8.

The girls in grade eight have three periods of Home Economics each week, one double and one single period. The seventh grade girls are unable to have Home Economics because of lack of space and teacher time. There is no shop available for the boys because of lack of space and teacher time. All pupils in grades 7 and 8 have two periods of Physical Education per week.

Pupil, school and class progress is noted each year through achievement tests. Mental ability tests are also given twice during a pupil's school life in elementary school - in grades three and six.

The Bookmobile leaves 250 books at a time for the use of the pupils.

MARY A. FISK SCHOOL - David Greenlaw, Principal

This school opened in September, 1958 with all twelve rooms in use. The enrollment has varied somewhat but is approximately 420. The lunch program was instituted soon after the opening of school and has been very successful, with better than seventy-five per cent of the pupils participating daily. The Bookmobile makes available 225 books at one time to the school for approximately two months. The Parent Teacher Association is sponsoring a school library, which is to be commended.

In conclusion, I would like to say that the staffs of both schools, the

Office of the Superintendent of Schools, and all with whom I have come in contact, have been most helpful during the year.

OTHER ELEMENTARY SCHOOLS

Worthy of notice is the strong support given by the Parent Teacher Associations to each individual school in furnishing items that are both helpful and worthwhile in the education of the children.

All teachers have been very cooperative and conscientious in carrying our improvements in the curriculum.

SCHOOL LUNCH AND HEALTH

The Lunch Program sponsored by the Salem School Department was involved with major expansion this year upon the opening of the new program at the Fisk School. The Woodbury-Central program has continued in its ninth year of very successful operation, under the fine direction of Mrs. Ann Emilio. Mrs. Emilio has a very competent staff of nine women - five at Central and four at Fisk. She attributes much of the success of these programs to the interest and genuine love-of-children inherent in her staff. The program is deeply indebted to the Fisk Parent Teacher Association for the purchase of dishes, silverware and bowls. A financial report of the lunch programs follows this report.

Jessie Soule, Nurse-teacher reports as follows: One of the goals of health education in the schools is to prepare boys and girls to live better in this tense and demanding world. This means that the schools must carry out a program which will give every boy and girl a chance to achieve the best possible physical, mental, emotional and social health. To achieve this we carry on an active testing program in vision, hearing and mental health. We also test for cancer, tuberculosis and for orthopedic and dental deficiencies.

Vision tests are given annually to every pupil. Recently the Salem Lions Club gave the School District a New York Vision testing machine which will be of considerable assistance in our program. In cases where

parents are unable to finance either eye treatment or glasses, aid is sometimes obtained from the N. H. Sight Conservation Division.

Hearing tests are given by the Maico Puretone Audiometer. Parents are notified of children failing to pass these tests and follow-up work is frequently necessary. Presently the Salem Lions Club and the Salavation Army are financing medical care and treatment for pupils with defective hearing, who would not otherwise be able to have it.

The Tuberculosis Patch Tests (Vollmer) were given to all pupils in grades 5-12 who chose to avail themselves of this service. 861 pupils were tested, of whom 39 showed a positive reaction. Follow-up work was conducted by the N. H. Tuberculosis Association.

The dental health program financed by the Salem Kiwanis Club commenced in February. Through this program every pupil in grades 5 through 8 has the opportunity to have his or her teeth cleaned. 448 pupils received this benefit. I hope this program might be continued and that the pupils' teeth could be treated with sodium fluoride. The N. H. Dental Association recommends that cleaning and sodium fluoride treatment be repeated every three or four years until the child reaches the age of 13.

Pre-school clinics are held at Dr. Greer's office four or five times a year. These clinics are sponsored by the Salem Women's Club and the State Board of Health. As a result, all children in Salem enter school protected as fully as possible against many diseases.

Pre-school registration was held in May 1958. At that time 150 children registered for school the following September.

Transportation to school for a crippled child has been furnished by Mr. William Brown. James A. Sayer, Trustee of the Lancaster Fund, the Civil Aid Patrol and the Junior Women's Club gave many children shoes, overshoes, rubbers, warm clothing and toys at Christmas time.

I wish to thank the many people in Salem, in addition to those individual and organizations named above, who have in many ways shown their

interest and support in the Salem school health program.

VOCAL MUSIC - Mrs. Marilyn Winward, Director

The need for adequate music space is urgent, to provide a full program. The students in grades 7-12 need a place to work on programs, to display projects, to keep materials and to work in an atmosphere that breeds musical learning. The new addition will help greatly in this respect.

The increased enrollment limited the visits of the vocal instructor to the elementary schools and the junior high. There is need for an additional instructor to provide a fuller program. The Woodbury Choristers have continued to perform at various group meetings and have been well received.

INSTRUMENTAL MUSIC - Calvin Schraga, Director

The Instrumental Music program has been very active, both in regard to activities and the number of pupils participating in the program. At the present time 182 pupils are taking band in Salem. There is one main band, comprising students from grades 6-12. This group practices two times a week.

In addition to the main band, there are two beginners groups and two advanced groups from grades 4-6. The main band has been very active and has played at assemblies football games, commencement activities and will play at the coming Booster Banquet. They also took part in last year's Memorial Day parade. The highlight of their activities was the excellent spring concert given last spring.

COMMUNITY ORGANIZATIONS

All local organizations and many individuals continue their fine support of the Salem Schools. Whether it is help at individual schools, whether it is to honor any specific group, whether it is for scholarships, whether it is for the health of the children - please accept my appreciation and the appreciation of all who work with me.

In conclusion, I wish to thank the School Board, Principals, Teachers and pupils for their cooperation in making the work of the schools successful during the past year.

Respectfully submitted,

WENDELL V. DAVIS
Superintendent of Schools

REPORT OF THE SALEM SCHOOL LUNCH PROGRAM

JANUARY 1 TO DECEMBER 31, 1958

Cash on hand January 1, 1958		$ 164.11
Receipts:		
Lunch Sales - Children	$24,036.29	
Lunch Sales - Adults	436.70	
Federal Reimbursement	4,824.29	
Miscellaneous	526.76	
		29,824.04
Total Cash Available		$29,988.15

SCHOOL CALENDAR

1958 - 1959

Teachers' Meetings	Tuesday, September 2
Fall Term Begins	Wednesday, September 3
Fall Term Closes	Tuesday, December 23 (full day)
Winter Term Begins	Monday, January 5
Winter Term Closes	Friday, February 20
Mid-winter Term Begins	March 2
Mid-winter Term Closes	April 24
Spring Term Begins	May 4
Spring Term Closes	On or about June 16

Teachers dismissed one day after schools close.

(This closing date allows for 3 days closed due to weather, but this will vary according to holidays observed in each town.)

HOLIDAYS

Veterans' Day	November 11, Tuesday
Thanksgiving Recess	November 26 at noon, 27, 28
Good Friday	March 27
Memorial Day	May 30 (Saturday)

DAYS CREDITED FOR PROFESSIONAL IMPROVEMENT

State Teachers' Convention	October 16-17
Spring Institute	April 10 (to be confirmed)

By ruling of the State Board of Education, schools must be in session for 180 days.
